Dear Ms McCormack

**Austar Coal Mine (DA29/95)
Revised Subsidence Management Plan for Longwalls B4-B7**

I refer to your letter of 8 February 2019 seeking the Secretary's approval for a revised Subsidence Management Plan that incorporates changes due to the approved reduction of Longwall B4 by 279 metres.

In accordance with condition 3A of Schedule 3 of DA29/95 for the Austar mine, the Secretary has approved the revised Subsidence Management Plan for Longwalls B4 to B7.

Yours sincerely
